About the Candidates

For further information about the IH RTP objectives and schedule, please consult the Program Information document on the website.

Profile of Candidates

May I apply if I am a volunteer with an organization but not actively employed?

Volunteers may apply for the IH RTP if they can demonstrate that they have been actively involved in the organization for at least two years. The volunteer candidates must also be:

- Able to influence the human rights education activities carried out by the organization;
- Familiar with international human rights principles and instruments;
- Willing to transfer lessons acquired at the IH RTP to their colleagues and other concerned parties;

May I apply if I am not affiliated with an organization?

You may submit an application if you are not affiliated with an organization. You must explain how you plan to use your IH RTP training in your Application Form. If you are unable to complete the Memorandum of Agreement, we require that you to write a separate letter explaining how you plan to make use of your IH RTP training in an individual work plan.

May I apply if I have been working with an organization for less than two years?

Unfortunately, only candidates that have worked with their organization as employees or volunteers for a minimum of two years may apply to the IH RTP.

Application Form

May more than one person apply from a single organization?

There is no limit to the number of candidates that can apply from a single organization. However, Equitas recommends that each organization selects one or two candidates beforehand as being the most likely to benefit from the IH RTP training. Organizations must also bear in mind that there are a limited number of IH RTP spaces and scholarships.

May I apply if my previous application was unsuccessful?

You are welcome to apply to the IH RTP if your previous application was unsuccessful, or if you were unable to attend. Please note that applying will require submitting a new application with new documents for 2018, as to ensure that the evaluation of your application takes into consideration new information you will have provided.

May I apply to the IH RTP if I have participated in another Equitas training program?

You may apply to the IH RTP if you have participated in another Equitas training program. However, individuals who have participated in Equitas' sub-regional human rights training sessions in East and West Africa are not eligible to apply to the IH RTP.

About the Required Documents

Your application must include :

- The completed online application form
- The signed Memorandum of Agreement
- Two letters of recommendation
- A brochure of your organization

Memorandum of Agreement

Where can I find Equitas' Memorandum of Agreement?

The Memorandum of Agreement is a document that needs to be signed by the director of your organization. It can be found on the Equitas website as well as in attachment to an email sent to you when you registered to ContactEquitas for the first time.

Who must sign the Memorandum of Agreement if I do not work for an organization?

If you do not work for an organization and thus are unable to complete the Memorandum of Agreement, we require that you write a separate letter explaining how you plan to make use of your IH RTP training in an individual work plan.

Who must sign the Memorandum of Agreement if I am the Director of my organization?

If you are the Director of your organization, your Memorandum of Agreement must be signed by you and by the President of your organization's Board of Directors.

Letters of Recommendation

Who can write my letters of recommendation?

The two letters of recommendation that are required must be written by national or international human rights organizations familiar with your work and/or the work of your organization. Neither of these letters may be written by your own organization.

Brochure

What should the Brochure contain?

The brochure should describe the work of your organization. It can be the organization's mission statement or an annual report that gives information about your organization's mission, objectives, activities, etc.

Instead of a brochure, can I submit the link to the website of my organization?

To facilitate the selection process, the Equitas team would prefer receiving Word or PDF versions of specific pages of the organization's website.

About the Selection Process and Participation Fees

For further information about selection criteria, participation fees, and bursaries, please consult the Program Information document.

Selection Process

How does the selection process unfold?

A selection committee studies all applications. Decisions are made based on the criteria described in the Program information document, with consideration given to a balanced gender representation and geographical diversity.

When will I know if I have been selected?

International candidates selected to participate in the 2018 IH RTP will be notified at the end of February, 2018.

Can I obtain a letter of invitation before the selection takes place?

While we understand that the procedures to obtain a Canadian visa and program financing can often be lengthy and complex, letters of invitation can only be delivered once a candidate is selected to participate in the IH RTP. All the applications received must be evaluated by Equitas before any official letter of invitation is provided to an individual candidate.

Fees, Financing, and Bursaries

Are scholarships available to cover expenses?

Thanks to the financial support from Global Affairs Canada, Equitas is able to offer a limited number of full and partial scholarships to candidates whose profiles correspond the most to the selection criteria. Due to the limited number of scholarships and to certain geographical constraints, candidates selected for the IH RTP are not guaranteed to receive financial assistance through an Equitas scholarship.

How do I pay my participation fees?

If you are selected for the IH RTP and are required to pay a portion or all of your program fees, a bill will be sent to you containing the necessary payment information.

What is your refund policy if I am unable to obtain my Canadian visa in time?

If you are unable to obtain your Canadian visa in time for the IH RTP and have already paid your program fees, the Equitas team will contact you to proceed with the reimbursement of the funds received.
