

Human Rights Consulting Services

Who are we ?

Equitas is Canada's oldest and most active human rights education organization. Equitas works for the advancement of equality, social justice and respect for human dignity through transformative education programs. These programs are recognized worldwide for their lasting impact and relevance.

Equitas is known and trusted for designing **customized approaches** that meet clients where they are and help them move **towards deeper impact in the communities** they work with.

Equitas contributes to **changing attitudes and practices**, providing services and learning experiences that empower people and teams to emerge as **human rights changemakers**.

Alongside its transformative work with human rights defenders and partner organizations, **Equitas offers consulting services** that improve the knowledge and skills of companies, financial institutions, non-profit organizations, foundations and government agencies or departments, and engage them toward positive change.

Our services

As a recognized leader, Equitas draws from nearly 60 years of experience in advancing human rights worldwide to offer the following services:

→ Provide or support customized human rights training, including on diversity, equity and inclusion

→ Facilitate meaningful consultation and dialogue

→ Strengthen stakeholder engagement and empowerment

→ Design participatory evaluation processes

→ Develop rights-based policies and plans and support their implementation

→ Contribute to human rights impact analyses
